PUBLIC NOTICE

Campaign Finance Year-End Report Filing Extension

January 7, 2014

Dear Treasurers:

As I review the number of committees who have filed their year-end report, I realize that there are still many outstanding reports as we approach the filing deadline.

Therefore, I am extending the filing deadline one month until **February 20, 2014**, to allow for those who are having difficulty navigating the new campaign filing system. As with all new systems, the more familiar you become with it, the easier it is. We know this is the case with this system which has been successfully launched in several other states.

If you have any questions or need assistance, please contact our campaign finance staff.

Very truly yours,

A handwritten signature in black ink that reads 'Elaine Manlove'.
