As Chairman of the Sussex County Republican Party, I am writing to confirm that we will be setting the candidate filing fees for the 2026 election cycle based on the salary levels for each respective office. In line with consistent practices that support transparency and fairness, we have determined the following fee structure:

- State Senator: \$2,027
- State Representative: \$1,013
- County Council (4th & 5th Districts): \$1,452
 - Recorder of Deeds: \$1,303
 - Register of Wills: \$1,303
 - Sheriff: \$1,303

Please let us know if any additional documentation is required on our end to proceed with finalizing and publishing these figures.

Thank you for your partnership and continued support of the electoral process.
