Richard E. Norris (LD) .....	1,565	98	571	2,234
Democratic Majority .....	2,846			

Since there has been in the past no central, state-wide clearing house for the tabulation of election results in the state, it has been impossible to completely check all figures with the official results. However, when possible the official tally sheets have been used. At other times, the results have been taken from the newspaper files of past years.

*Editor's Note*
