Audit of the General Election- Machine Audit

On November 12, 2024 at 10:03 a.m., Department of Elections Staff Logan Young, Rebecca Argo, Troy Walker, Frank Hatchett, Joe Kuhn and Kyle Gomez were present to preform the Audit. There were no members of the public present.

During a previous public meeting one machine was selected to be audited from the Election held on November 5, 2024.

The election staff members worked in teams of two to manually recount the ballots to ensure that the number of ballots processed matched the number of activation cards that were present in the secure card containers. Then they manually recounted the number of votes that each selection received to ensure that they matched the machine tape.

The machine was located at Nellie H. Stokes Elementary School. The public count of machine number **KC0156** was 237. The total number of votes casted including undervotes equaled 237.

Meeting was adjourned at 11:40 a.m.

Respectfully,
