Audit of Presidential Primary Election - Machine Audit

On July 13th, 2020 at 12pm Kent County Director Doris Young called order the meeting, which was held at the Kent Count Office in the Absentee Room. The following persons were present at the meeting: State Commissioner of Elections Anthony Albence, Kent County Director Doris Young, Kent County Deputy Director Ralph Artigliere, and 4 Department of Elections Staff. There were no members of the public present.

Anthony Albence prior to the audit selected a machine number XL0118020231 to be audited. This machine was located at the Cheswold Fire Hall during the Presidential Primary Election held on July 7th, 2020.

The audit consisted of 2 teams; each team had two team members who were of opposite parties to keep the audit nonpartisan. The teams manually recounted the ballots to ensure that the number of ballots processed matched the number of activation cards that were present in the secure card containers. Then they manually recounted the number of votes that each candidate received for the office of Insurance Commissioner.

The public count of machine number **XL0118020231** was 194 total. Every office had a total of 194 votes/undervotes.

Meeting was adjourned at 2:00PM

Respectfully,

A handwritten signature in cursive script that reads "Doris J. Young".
