Audit of the Statewide Primary Election- Machine Audit

On September 16, 2024 at 10:00 a.m., Department of Elections Staff Logan Young, Rebecca Argo, Troy Walker and Frank Hatchett were present to perform the Audit. There were no members of the public present.

During the Certification of the Statewide Primary Election one machine was selected to be audited from the Election held on September 10, 2024. The selected machine KC0119 located at Smyrna Middle School.

Staff worked in pairs to manually recount the ballots to ensure that the number of ballots processed matched the number of activation cards that were present in the secure card containers. Then they manually recounted the number of votes that each selection received to ensure they matched the machine tape. All activation cards matched the resulted printed on the results tape.

Meeting was adjourned at 10:31 a.m.

Respectfully,

Doris J. Reed-Young
Director
