The meeting was called to order September 13, 2024 at 11:56 AM.

Kenneth A. McDowell, County Director, called the meeting to order to audit XL Voting Machines-XL0118030396, XL0118080068, and XL0118060023 used at the Rehoboth Fire Station #2 polling location for the 2024 Primary Election. The Statewide Office randomly selected was the Lt. Governor race.

Mr. McDowell gave an introduction and overview prior to the review of the machine tapes and activation cards. The card containers were unsealed, and the activation cards were removed. Three teams of two counters from differing parties counted the cards for each race for the abovementioned XL Voting Machines. The total amount of votes for each candidate matched the paper tapes perfectly.

All present reviewed the machine tapes, seals, and activation cards prior to sealing the documents.

Kenneth McDowell adjourned this portion of the meeting at 12:36 AM.

There were no comments or discussion.
