All votes were the same as reported.

Round 2 of the audits began at the same time. It consisted of a manual recount of Laurel Highschool. There were three machines SC1052, SC1053, and SC1054. All counts were the same as reported.

Round 3 of the audits began the same time as the other two and consisted a recount of all votes cast at the Woodbridge Early Learning Center polling location. There were three machines including SC1055, SC1056, and SC1057. All votes were the same as reported.

Kenneth McDowell verified the results and took public comments. There were no comments or discussion. Mr. McDowell thanked Commissioner Albence and the members of Sussex County staff that assisted with the audit and adjourned at 11:45 a.m.
