Delaware Student
Mock Election

How to vote online in Mock Election
Technology Plan

The Mock Election will be conducted entirely on the internet.

- All votes will be cast on the internet during a 3-day period.
- Votes are tallied using the Mock Election program on the internet.
Offices up for Election

Votes are cast for Federal and Statewide Offices.

Offices up for election in 2018:

- United States Senator
- Representative in Congress
- Attorney General
- State Treasurer
- Auditor of Accounts
Who Can Vote?

Students of participating school districts who are enrolled in grades 4\textsuperscript{th} through 12\textsuperscript{th} are eligible to vote in the Student Mock Election.
Logging In

Click the “Login” link to begin.
Logging In

Choose District and School when logging in. Each school has a unique password.
Logging In

Click the “I’m not a robot” checkbox and follow the instruction on your reCAPTCHA screen.

Upon successful verification, a green checkmark will appear in place of the checkbox.
Click the Login button to proceed.
Click on the “Cast Ballot” link.
Candidates are selected by clicking with the mouse over the appropriate selection. You have the option of resetting your selections or clicking the Submit button to cast your vote.

The ballot is timed. Each student has two minutes to cast his or her vote.
Each voter will confirm that they are ready to cast their vote.
Vote Confirmation

A confirmation appears after voting and the next vote can be cast.

![Vote Confirmation Image]
• Polls are closed at 3 p.m. each day during the 3-day voting period.

• Reports for your school district are available to District Coordinators via the web.

• Statewide results are announced at Legislative Hall at the Mock Election Convention.
