**Department of Elections, Kent County Office**  
**Proposed Polling Place changes for the 2024 State Primary and General Election**

Currently we have two polling locations in this area which is a few minutes south of Dover.

Postlethwaite Elementary School at the top left on the map - 

Magnolia Fire Hall at the bottom right on the map - 

The distance between the Magnolia Fire Hall & Postlethwaite School is 2.7 miles.

We would like to move one RD from each of the current locations and move them to two new polling locations:

Robinson Elementary School and Magnolia Middle School.

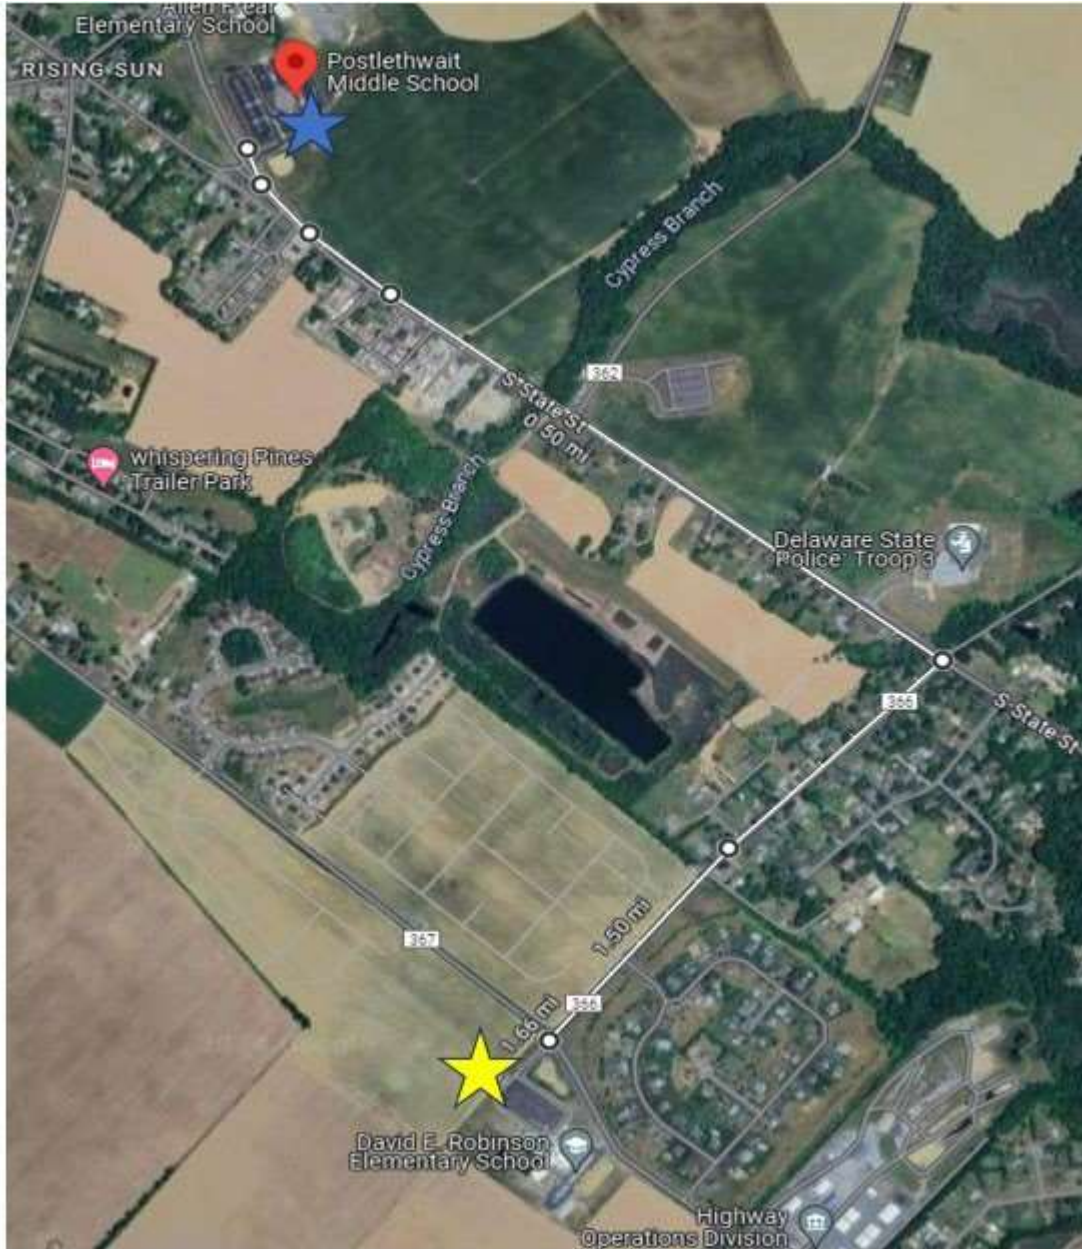

**Department of Elections, Kent County Office**  
**Proposed Polling Place changes for the 2024 State Primary and General Election**

Large new developments in this immediate area are currently being built and with more in the planning stages.

**Proposed Polling Place changes for the 2024 State Primary and General Election**

The driving distance from the Postlethwait School to the Robinson Elementary School is 1.6 miles.

**Proposed Polling Place changes for the 2024 State Primary and General Election**

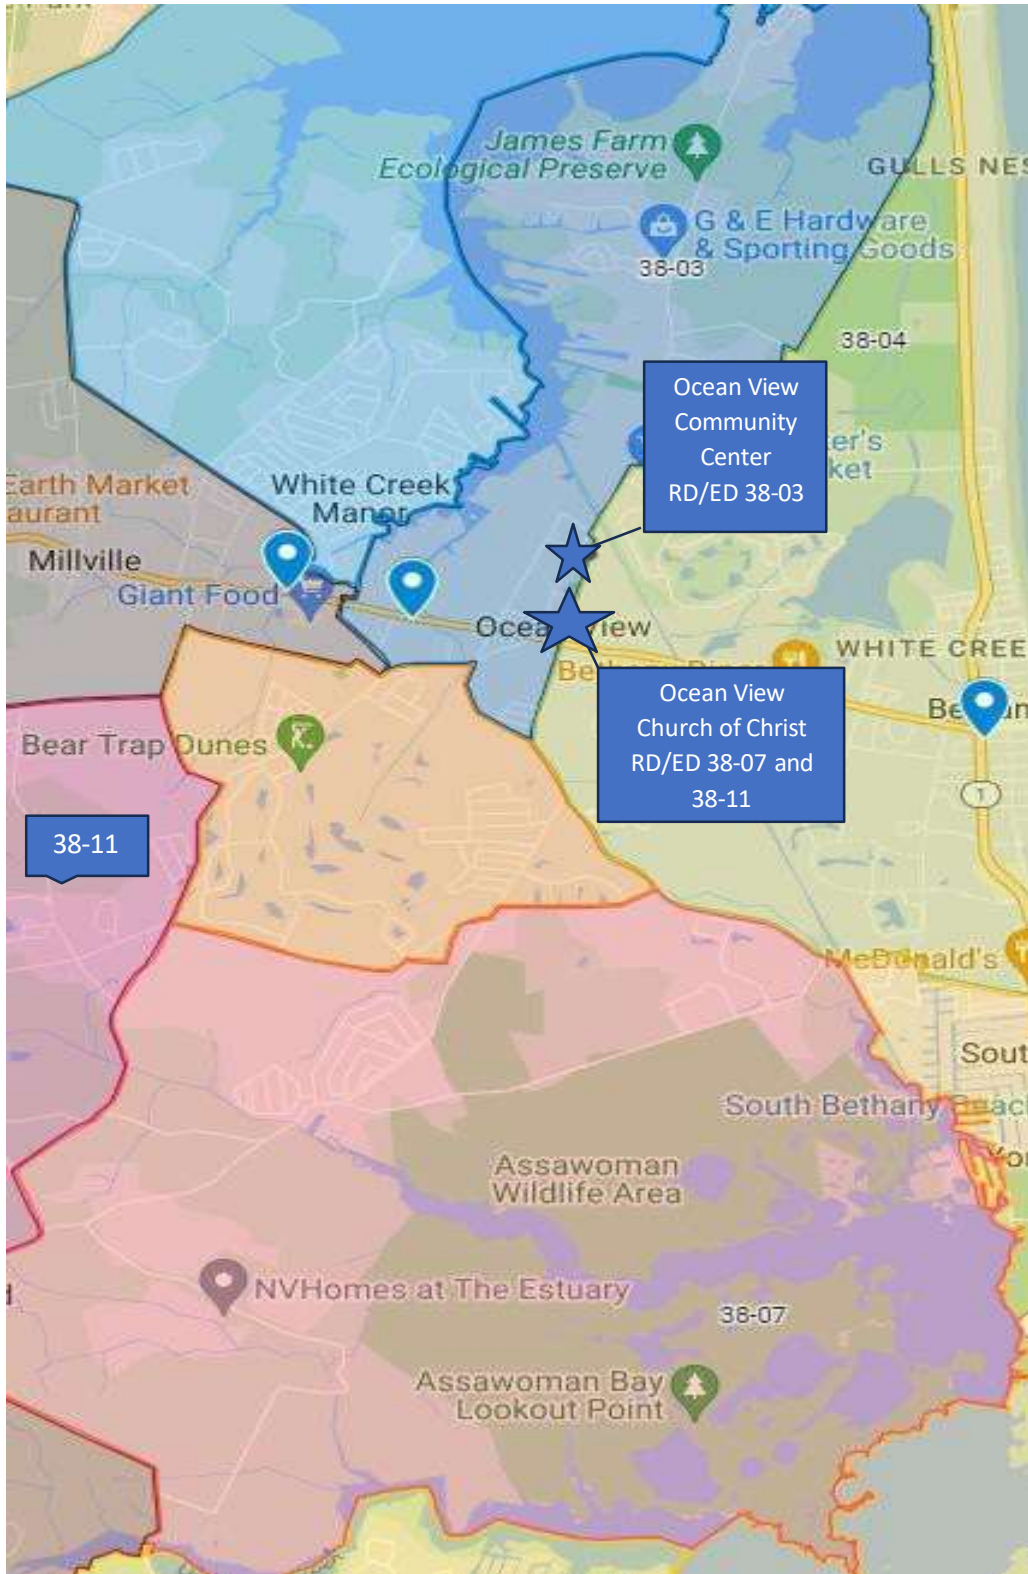

The driving distance from the Magnolia Fire Hall to the Magnolia Middle School is 1.25 miles.

## Recap –

- **Turning two locations into four locations for the same amount of voters**
- **All four locations are within a short distance of each other.**
- **The two new locations would give us substantial room for the growth in this area.**
- **Move RD34-10 (1,382 voters) from Postlethwaite School to Robinson Elementary School**
- **Postlethwaite would keep RD32-11 (1,624 voters)**
- **Move RD33-02 (1,622 voters) from Magnolia Fire Hall to Magnolia Middle School**
- **Magnolia Fire Hall would keep RD33-03 (2,355 voters)**

**Department of Elections, Sussex County Office**  
**Proposed Polling Place changes for the 2024 State Primary and General Election**

**We propose swapping RD/ED 38-07 and RD/ED 38-03 for the upcoming elections. This change would reduce the number of voters going to the Ocean View Community Center by 863 voters and would leave them with 1,518 voters for the 2024 State Primary and 2,089 for the 2024 General elections. Ocean View Community Center is a smaller location (screenshots attached). This also results in a slightly closer drive or walk for many voters as well.**

**RD/ED 38-07** has 2,952 voters and 38-11 has 1,172 voters. Ocean View Church of Christ would have a total of 2,980 possible voters for the State Primary and 4,124 for the General.

This location has a large gymnasium and parking lot that is able to accommodate 863 additional voters more comfortably than the Ocean View Community Center. This location is slightly closer for many voters in the district than the Ocean View Community Center for most voters (screenshot below).
