*Deceased, Address Verification, Non-citizen, and Felon records have already been removed. The Board must approve removal of the Moved from State and Request by Voter (Voluntary).

** The NVRA process is run in the year following each General Election to remove those inactive voters with whom the Department has not had any contact for the period covering the past 2 General Elections.

***Board did not meet in this month, and, therefore, there were no Moved from State nor Requests by Voter records approved for removal by the Board.

- OVR program:
 - 2025 OVR Trainings Continue
 - Maintaining same cadence/frequency of training in non-statewide election year
 - Steady attendance and interest level in OVR training sessions each month
 - Beginning preparations for 2026 Election Cycle
 - Key items for 2026 Election Season OVR Planning and Registrar Training:
 - Continued emphasis on use of approved and provided registration materials and forms, attention to detail, thoroughness/completeness of application, timely submission of materials, non-partisan approach to all OVR activities

Community Relations/Public Information

- Special Election advertising/public information messaging very effective!
 - Department staff, State Government Information Center (GIC), media partners, parties, ALL helped spread the word about accurately and effectively!
- State Fair Exhibit 2025 was a huge success!
 - Kent team provided bulk of support with materials, set-up, and removal
 - Both NCC and Kent staff worked to staff 11-hour exhibit days for 10 days!! Split days into 2 shifts per day.
- Department expanding outreach in 2026 – statewide collaboration
 - Voter outreach events at DOE warehouses for students, persons with disabilities, and the general public
 - Hands-on learning about voting and elections in each county
 - Inviting schools and organizations to sign-up & participate
- Working with Department webmaster:
 - Redesigning website to latest accessibility standard and design
 - Updating the website with 2026 election information and changes to voter registration processes.
- Working with statewide teams to develop video series for the public that explains voting in Delaware from registration to auditing of election results (start to finish).

Standardization Efforts

- Voter Registration Process Standardization:
 - County voter registration managers reviewed all existing Department voter registration policies and processes, revised the Department's procedures with the latest updates, and produced the 2025 statewide, standardized Department voter registration procedure manual.
 - Project commenced at the end of May and was completed by mid-June.
- Standardization of Procedures/Documents/Materials Continues:
 - Reviewing and updating materials for 2026 election season
 - Reviewing and potentially adapting Election Assistance Commission (EAC) resources

Voting Accessibility Updates

- 2024 General Election Accessibility Report, Community Legal Aid Society, Inc.:
 - July 7, 2025, letter to Commissioner Albence advising the Department of the Report's release on June 30, 2025
 - 90% of General Election polling places were surveyed and assessed for accessibility
 - Parking, entrances/exits, interior routes, voting room set-up
 - Voting equipment availability – Universal Voting Console, an audio tactile voting device with braille legends
 - Report provided testimonials by persons with disabilities describing their voting experiences, both positive feedback and descriptions of areas for needed accessibility improvement
 - Report noted Department's efforts to replace/enhance polling places in response to 2022 report.

- Department Response:
 - County Directors and Commissioner carefully reviewing report
 - Developing accessibility improvement plan for 2026 Election Cycle
 - Continued dialogue and collaboration with CLASI, Disability Rights Delaware (DRD) on effective solutions for voters

- Accessible Parking
 - CLASI monitors visited a much larger of polling places in 2024 vs, 2022
 - Report indicated 54% of polling places did not offer ADA compliant accessible parking
 - Department mitigated parking issues with signage/traffic cones based on ADA Checklist for Polling Places
 - As polling places are public service buildings in communities (schools, government buildings, community centers, places of worship, etc.) this 54% of facilities with parking issues are also concerns with primary intended use of the facilities.
 - General Assembly has passed legislation (HS 2 for HB 48 w/HA1) that will add tools and enhance enforcement mechanism to ensure that accessible parking in these facilities meets federal (ADA) standards
 - Department will continue to evaluate, mitigate, and work toward accessible parking solutions for voters

- Universal Voting Console
 - Additional devices deployed to early voting sites & polling places
 - Election Officer training will be reviewed to continue to reinforce and enhance instruction of UVC setup
 - Polling Place Poster informing voters of UVC accessible voting option

- Continued cross-team "check-in" meetings with a cross-section of operational area leaders with voting equipment and elections systems vendor Elections Systems & Software (ES&S)
 - Operational area leads from Department present (County Directors, Commissioner & Elections IT staff, Voting Equipment, Warehouse, Pollbook, Absentee staff)
- Going forward:
 - Monthly standing meetings with County Directors, Commissioner, and Elections IT staff, Warehouse Managers
 - Quarterly check-in meetings with operational leads from Department

Campaign Finance-Reporting

- Consultation with Campaign Finance Reporting System (CFRS) support vendor
 - Troubleshooting/conferring on any open items/tickets
 - Evaluating frequency of calls with vendor
 - Maintaining ongoing list of open items, as well as system enhancements related to proposed legislation
- Initial Budgetary Planning Continues Regarding System Upgrade
 - FY 2027 Budget "door opener"
 - Moving the platform to the most current version of software
 - Updated approach will be a system capable of accepting regular enhancements and ability to control many more elements locally without vendor support
 - Current system is a "static" system requiring vendor support for virtually all updates
- Campaign Finance For 2026 Election Candidates
 - As filing fees are set by committees, filing are beginning to be received.
- Non-Filer Follow-Up
 - Additional round of demand letters Sent To Committees With Unfiled/Outstanding 2024 Campaign Finance Reports
 - Follow-up with committees replying to this mailing
 - Replies from contacted committees continue to be received and ongoing efforts by Campaign Finance staff to help resolve issues and work on filing required reports not filed
- Working in concert with Department's Deputy Attorney General (DAG) and Delaware DOJ Division of Civil Rights and Public Trust (DCRPT)
- Potential Next Step: Court Action for Non-Filers if continued lack of response
