### Audit of Voting Machines used in the 2019 Appoquinimink Referendum

State Election Commission Albence, County Director Dixon, and County Deputy Director Sholl conducted the 2<sup>nd</sup> phase audit of the voting machines used at Old State Elementary School in the December 2019 Appoquinimink Referendum. No members or the public attended.

Voting machines NCC-0025, NCC-0026, NCC-0027 and NCC-0028 were used at Old State Elementary School in this election. The ballots cast in each machine were hand counted and the results were the same as reported on the voting machine tapes from the machines.

Respectfully submitted,

Howard G. Sholl, Jr.
