

APPOQUINIMINK SCHOOL DISTRICT NOTICE OF SPECIAL ELECTION

TO AUTHORIZE THE LEVY OF ADDITIONAL TAXES AND THE ISSUANCE OF BONDS

Notice is hereby given that a Special Election will be held on April 23rd, 2024, in the Appoquinimink School District (“ASD” or the “District”) in accordance with the provisions of Chapters 19, 20 and 21 of Title 14 of the Delaware Code, in order to permit the voters of the District to vote either for or against each of the following:

Section 1:

To support the increased growth and ongoing district operations, the Appoquinimink School District is seeking authority to levy and collect an additional \$0.3990 per \$100 of assessed value in local school taxes for current operating expenses as set forth below, effective July 1, 2024 and every year thereafter on all assessed taxable real estate in ASD to fund operating expenses totaling \$11,162,437.

For a property in the District assessed at a rate of \$92,700 (Appoquinimink School District average assessment), the increased current expense cost to the homeowner will be \$369.87 per year.

This increase is to provide funding for programs such as, but not limited to, the following:

- Staff and teacher compensation
- School safety
- Operating expenses due to enrollment growth
- Maintaining student devices

Section 2:

To support continued enrollment growth, the Appoquinimink School District is seeking authority to issue bonds in the amount of \$66,663,550 to be used for funding for the following:

- Construction of a New High School and New Middle School – Planning, construction and equipment for the building of a new 1,600 student capacity high school and 1,000 student capacity middle school to address enrollment growth and capacity issues.
- Construction of a New Elementary School – Planning, construction and equipment for the building of a new 840 student capacity elementary school to address enrollment growth and capacity issues.

The bonds represent \$66,663,550 or 23% (Appoquinimink School Districts share) of the total cost of \$289,841,521 for the three projects listed above.

\$223,177,971 – State
\$66,663,550 – Local
 \$289,841,521 – Total

If the District is authorized to issue bonds, the District shall levy and collect additional taxes to provide for the payment of interest on the bonds and for the retirement of the bonds as they fall due. The cost of the bonds will adjust to market rates. The amount of each annual tax increase that would be imposed as a result of the proposed bond issuance, depending upon market conditions, is estimated as follows:

Year	Fiscal Year	Amount of Annual Tax Increase as a Result of Proposed Bond to Fund Three New Schools plus land	Total Annual Tax Rate as a Result of this Proposed Bond Issuance to Fund Three New Schools plus land	Projected Increase / Decrease in Annual Tax Rate as a Result of this Proposed Bond Issuance to Fund Three New Schools plus land	Year	Fiscal Year	Amount of Annual Tax Increase as a Result of Proposed Bond to Fund Three New Schools plus land	Total Annual Tax Rate as a Result of this Proposed Bond Issuance to Fund Three New Schools plus land	Projected Increase / Decrease in Annual Tax Rate as a Result of this Proposed Bond Issuance to Fund Three New Schools plus land

Notes regarding the above table: Estimated “Annual Tax Increase amounts” are rounded and are stated in Cents/\$100 of Assessed Value. The “Annual Tax Rate” is based on the District’s current debt service rate (\$0.3671 per \$100 of assessed value) and several other factors including market interest rates. Retirement of existing debt will offset annual tax increases in future years. The calculations in the above table were prepared without regard to any future referenda that may be pursued by the District.

For a property in the District assessed at a value of \$92,700 (Appoquinimink School District average assessment), the increased debt service cost to the homeowner would be \$27.81 per year.
