*An overvote occurs when a voter makes more than the maximum number of choices allowed in an election. (NOTE: This may only occur on an absentee ballot. An overvote is not possible on the voting machines used in polling places.)

**An undervote occurs when a voter makes fewer than the maximum number of choices allowed in an election. An undervote also occurs when a voter makes no choice in a single-choice election.

In witness thereof, the Department of Elections for the State of Delaware has caused this certificate to be executed this 23rd day of May in the year 2024.
