DEPARTMENT OF ELECTIONS

***Audit of Red Clay and Colonial School District Referenda***

On March 4, 2024 at 12:00PM County Director Tracey Dixon called the meeting to order. The following additional persons were present at the meeting: Deputy County Director David Gilefski, Anthony Williams, Craig Sparacino and Chauntie-Marie Brown. There were no members of the public present.

The machine and polling places for Phases 1 and 2 for each district were randomly selected.

For Red Clay, Phase 1, we selected XL Voting Machine NCC-0743 which was used at Brandywine Springs Elementary School and we selected Lewis Elementary School as the polling place. Machines numbers NCC-0761, NCC-0762 and NCC-0763 were used at Lewis Elementary School. For Phase 2, we selected Skyline Middle School as the polling place. Machine numbers NCC-0772, NCC-0773, NCC-0774 and NCC-0775 were used at Skyline Middle School. For the Wilmington polling place we selected Warner Elementary School which used NCC-0779, NCC-0780 and NCC-0781.

For Colonial, Phase 1, we selected XL Voting Machine NCC-0803 which was used at Southern Elementary School and we selected Kingswood Community Center as the polling place. Machines NCC-0788 and NCC-0789 were used at Kingswood Community Center (note that this was the only Colonial polling place in Wilmington, so for this phase we used NCC-0788). For Phase 2, we selected McCullough Middle School as the polling place. Machine numbers NCC-0790, NCC-0791 and NCC-0792 were used at McCullough Middle School. For the Wilmington polling place we used one of the two machines from Kingswood Community Center, NCC-0789.

Deputy County Director David Gilefski, Anthony Williams, Craig Sparacino and Chauntie-Marie Brown manually recounted the ballots to ensure that the number of ballots processed matched the number of ballots that were present in the secure card containers.
