On March 18, 2025 at 10:03 a.m., Director Doris Reed-Young called the meeting to order. Department of Elections Staff was present to perform the Audit. There were no members of the public present. The Audit was performed by Gary Hilderbrand and Troy Walker

During the Certification of the Smyrna Referendum one machine was selected to be audited from the Referendum held on March 15, 2025.

The two election staff members worked as a team to manually recount the ballots to ensure that the number of ballots processed matched the number of activation cards that were present in the secure card containers. Then they manually recounted the number of votes that each selection received to ensure that they matched the machine tape.

The machine was located at Kenton Ruritan during the Referendum. The public count of machine number **KC0286** was 110. The total number of votes casted including undervotes equaled 110.

Meeting was adjourned at 10:20 a.m.

Respectfully,

**Doris J. Reed-Young**
