May 2020

Dear Delaware Voter:

Delaware’s 2020 Presidential Primary Election has been rescheduled to Tuesday, July 7th. Registered Democrats and Republicans (affiliated with the party as of May 9, 2020) may vote in this election.

We have enclosed an absentee ballot application and encourage you to consider voting absentee. Please be sure to complete the application and to provide all information requested. This will help you to avoid any delays in receiving your ballot. You may also complete your application online at https://ivote.de.gov.

You may update your voter registration information (such as your address) by providing the updated information on the application. It is very important to provide the correct address to ensure you receive your ballot. You may also have your ballot mailed to an address other than the address where you’re registered to vote, if you prefer. Please include the mailing address on your application, if applicable.

If you have received a mailing for someone who no longer lives at your address, please mark the envelope “Return To Sender” and leave for your mail carrier to pick up or drop back in a mailbox.

IMPORTANT NOTE: For the Presidential Primary, voters that are impacted by the COVID-19 pandemic, even if not exhibiting symptoms, are permitted to vote absentee. Please check reason #3 on the absentee ballot application: “I am sick, or temporarily or permanently disabled”.

After you have completed and reviewed your application, please return it in the enclosed postage-paid envelope to the elections office for your county, or scan and email it back to your county elections office or fax it back to your county office. That office will then mail you your ballot to complete and return.

PLEASE NOTE: On Election Day, a limited number of polling places will be open. If you do not vote by absentee ballot, you may vote at any polling place in your county on Election Day, regardless of where you live in the county. Polling places will be open from 7AM-8PM. A list of polling places for your county is available at https://de.gov/pollingplaces.
