

**State of Delaware  
Department of Elections**

The Organized Voter Registration Program allows citizens to register eligible Delaware voters. This program was created under the provisions of the National Voter Registration Act of 1993 also known as the "Motor Voter Act".

If you are interested in becoming a registrar, please follow the steps below:

### **COORDINATOR/CHIEF OFFICIAL**

- The coordinator/chief official has authorized the voter registration activity or drive, assumes responsibility for the voter registration drive, shall insure that only individuals trained as prescribed by the State Election Commissioner shall serve as temporary registrars, and shall insure that all individuals involved in planning, organizing, and conducting the voter registration drive shall adhere to this title and such regulations promulgated by the State Election Commissioner.

### **NEW REGISTRARS**

- If you are not part of an existing, established group, please contact Rebecca Argo at the Kent County Office to request an Organized Voter Registration Application. The completed application to be submitted at least 30 days prior to your first drive. The coordinator/chief official of the group is required to complete the application, please be sure to sign the last page. A coordinator may serve as a registrar individually or may add other individuals who wish to serve as registrars. If additional individuals are serving as registrars, please be sure to add their names and contact information to the application.
- Once the application is completed, returned, and approved, you will be contacted to discuss which training session you would like to attend. *Only the coordinator/chief official* calls or emails to indicate how many people plan on participating. Attending a training session is by invitation only.

### **ESTABLISHED GROUP/ORGANIZATION**

- If you are a member of an existing group and need a refresher training, contact your coordinator/chief official to indicate that you would like to attend a training. It is the coordinator's responsibility to notify members that the group wishes to remain active and to confirm a training date and reserve seats.

Thank you for your interest in the Organized Voter Registration Program!
