

**State of Delaware
Department of Elections**

The Organized Voter Registration Program allows citizens to register eligible Delaware voters. This program came about as a result of the National Voter Registration Act of 1993 also known as Motor Voter.

If you are interested in becoming a registrar, please follow the steps below:

NEW REGISTRARS

- If you are not part of an existing, established group, please contact Rebecca Argo at the Kent County Office to request an Organized Voter Registration Application. The coordinator of the group is required to complete the application. You can work alone, however, if you have other individuals who wish to work with you, pages are provided to list their names. Be sure to sign the last page.
- Once the application is completed, returned and approved, you will be contacted to discuss which training session you would like to attend. Once a training date is selected, you will need to know how many people in your group plan on participating. *Only the coordinator* calls or emails me as soon as possible (no later than noon the day before the training) to indicate how many people plan on participating. Attending a training session is by invitation only. Seats must be reserved. Only the coordinator can reserve spaces. There are no walk-ins!

ESTABLISHED GROUP/ORGANIZATION

- If you are part of an existing group and need a refresher training, contact your coordinator to indicate that you would like to attend a training. It is the coordinator's responsibility to notify members that the group wishes to remain active and to confirm a training date and reserve seats.
- *Only the coordinator* calls or emails me as soon as possible (no later than noon the day before the training) to confirm a training date and to secure seats for the class. There are no walk-ins!

Thank you for your interest in the Organized Voter Registration Program!

Rebecca Argo
